NOTES TO THE FINANCIAL STATEMENTS
FOR THE SIX MONTHS ENDED JUNE 30, 2008
(UNAUDITED)

NOTE 1 **NATURE OF OPERATIONS**

The Company is engaged primarily in the exploration for, and the production of, petroleum and natural gas reserves in a single cost centre being the Western Canadian Sedimentary basin.

NOTE 2 **SIGNIFICANT ACCOUNTING POLICIES**

The interim unaudited financial statements of Abenteuer Resources Corp. (“the Company”) have been prepared by management in accordance with accounting policies generally accepted in Canada. The interim unaudited financial statements have been prepared following the same accounting policies and methods of computation as the financial statements for the fiscal year ended December 31, 2007, except as described below in Recent Accounting Pronouncements. The interim financial statements should be read in conjunction with the financial statements and notes thereto in the Company’s annual report for the year ended December 31, 2007.

RECENT ACCOUNTING PRONOUNCEMENTS

a) Change in accounting policies

Effective January 1, 2008 the Company adopted the following new accounting standards issued by the Canadian Institute of Chartered Accountants (CICA):

- Capital disclosures

CICA Section 1535, “Capital Disclosures”, establishes guidelines for the disclosure of information on an entity’s capital and how it is managed. This enhanced disclosure enables users to evaluate the entity’s objectives, policies and processes for managing capital. This new requirement is for disclosure purposes only and upon adoption did not impact the financial results of the Company.

- Financial instruments – disclosure and presentation

CICA section 3862, “Financial Instruments – Disclosure” and Section 3863, “Financial Instruments – Presentation”, replace the existing Section 3861, “Financial Instruments – Disclosure and Presentation”. Section 3862 requires enhanced disclosure on the nature and extent of financial instrument risks and how an entity manages those risks. Section 3863 carries forward the existing presentation requirement and provides additional guidance for the classification of financial instruments. This new requirement is for disclosure purposes only and upon adoption did not impact the financial results of the Company.

International Financial Reporting Standards

In 2006, the Canadian Accounting Standards Board (“AcSB”) announced its decision to replace Canadian GAAP with IFRS for all Canadian Publicly Accountable Enterprises (PAE). On February 13, 2008 the AcSB confirmed January 1, 2011 as the official changeover date for PAE’s to commence reporting under IFRS. The transition date of January 1, 2011 will require the restatement for comparative purposes of amounts reported by the Company for the year ended December 31, 2010.

The Company is currently assessing the impact of these new accounting standards on its financial statements. Management has started discussing IFRS, its effect on the Company and an implementation plan. For more on this, please consult the MD&A accompanying these interim financial statements.
